

Autumn Term 2

English

This term in English, we will be writing a variety of genres. Their fiction writing will include a narrative based on 'Flat Stanley'. For instructions, we will be using bossy (imperative) verbs like 'put' or 'cut'. We will also be increasing our range of vocabulary and using it in our poetry. Year 2 will continue to secure and build on our basic sentence structure (capital letters, full stops, finger spaces, making sense, using our sounds to spell).

Maths

In Maths, Year 2 will continue to learn maths following the Maths No Problem scheme. This scheme is based on the highly effective, research based Singapore method of teaching mathematics. The children will be covering key concepts such as multiplication and division of 2, 5 and 10, length and mass.

Science

In Science, the year 2 the topics are microhabitats. The children will learn about the food chains of animals in varying habitats and will look at microhabitats and the animals that live there.

We will also be learning:

History

We will be learning about how travel has changed from past to present.

Music

The children's learning will be based on building on previous learning, They will listen to and appraise a range of styles of music and continue to embed the interrelated dimensions of music, through games, singing and playing.

PSHE

We will be exploring the topics Families and Relationships and Health and Wellbeing

D & T

They will Designing a pouch, selecting and cutting fabrics for sewing, decorating a pouch using fabric glue or running stitch, threading a needle and sewing running stitch.

R.E

We will be continuing to learn about Gospels and exploring the question 'What is the good news that Jesus brings?'
