

Spring Term 1

English

This term in English, we will be writing a variety of genres. We will start by focusing on Non-fiction genres such as information posters and Non-chronological reports. We will be thinking about the different features that need to be included such as sub-headings, bullet points and pictures. We will also be continuing to practice our spelling words and aiming to start joining our handwriting. Year 2 will continue to secure and build on our basic sentence structure (capital letters, full stops, finger spaces, making sense, using our sounds to spell).

Maths

In Maths, Year 2 will continue to learn maths following the Maths No Problem scheme. This scheme is based on the highly effective, research based Singapore method of teaching mathematics. The children will be covering key concepts such as using Grams and Kilograms, temperature and pictograms.

Science

In Science, the year 2 the topic is Uses of Everyday Materials. The children will learn about a variety of materials such as wood, glass and metal. They will be thinking about the properties of materials and why this makes them a suitable choice for certain objects to be made from..

We will also be learning:

Geography

We will be learning about why our world is wonderful.

Music

The children's learning will be based on building on previous learning.

They will listen to and appraise a range of styles of music and continue to embed the interrelated dimensions of music, through games, singing and playing. This will be done with Mr. Turner.

PSHE

We will be exploring the topics Health and Wellbeing and Safety and the Changing Body.

Art

They will be creating a piece that represents the local area using a map as their stimulus.

R.E

We will be focusing on Islam and discussing the question 'Who is a Muslim and how do they live?'

School Day:

8.40-3.15

Uniform:

Holdbrook school sweatshirt. Plain grey or black trousers, skirts or shorts. Black shoes or trainers.

PE- Day

WEDNESDAY

Forest School

TUESDAY
