

## Spring Term 2

### English

This term in English we will be exploring different kinds of texts and focusing on these areas of narratives:

**Character description**

**Recount**

**Non-chronological report**

We will also be focusing on cursive handwriting, capital letters and punctuation.

### Maths

In Maths, Year 1 will learn maths following the Maths No Problem scheme. This scheme is based on the highly effective, research based Singapore method of teaching mathematics. The children will be covering key concepts such as place value up to 40, addition and subtraction, height and length and multiplication.

### Science

In Science, the year 1 topic:

#### Comparing animals

The children will learn how animals are grouped according to their shared properties including fish, amphibians, reptiles, birds and mammals.

#### We will also be learning:

### History How have toys changed?

The children will find out about toys from the past. They will describe how toys are similar and how toys are different.

### Music

Singing, Listening, Composing, performing, musicianship

### PSHE

We will be exploring the topic 'Safety and the changing body' and 'citizenship'

### Design technology
