End of Spring Term

Dear Parents & Carers,

This term has flown by, with the dark, wet mornings of January and February finally giving way to brighter, more spring-like days. As we reach the end of this short but incredibly busy term, I hope you and your children are looking forward to a well-deserved Easter break.

This term has been filled with so many wonderful moments at Holdbrook. We've enjoyed a wide range of school trips, both locally and further afield, welcomed families in for parents' evening, taken part in exciting sports events, and showcased the children's creativity in another fantastic art exhibition. We rounded off the term with an Easter Egg Hunt for the children and a successful Easter Raffle.

The summer term is very much focused on the run-up to the end of the academic year, with the Year 1 Phonics Screening Check, the Year 6 SATs, and all other year groups completing their end-of-year assessments. It is an incredibly important term, as it's when children really demonstrate the progress they have made throughout the year.

Our enrichment activities, trips and visits will continue throughout the summer term, and we will also be offering a wider range of extracurricular opportunities. Further details will be shared during the first week back.

Finally, if you celebrate Easter, I wish you a very Happy Easter, and I hope all of our children and families enjoy a restful and peaceful break. Thank you for your continued support, and we look forward to welcoming everyone back to school on Monday 13th April.

Kind regards

Mr Mackey
Headteacher
